

Zekun Song

Ph.D. Student in Software Engineering | Nankai University

Email: 1120260435@mail.nankai.edu.cn | sszzww14276424@163.com

GitHub: github.com/ZeeeKun1

Education

Sep 2026 - Present	Ph.D. in Software Engineering, Nankai University Advisor: Assoc. Prof. Nan Gao
Sep 2023 - Jun 2026	M.E. in Software Engineering, Nankai University Advisor: Prof. Haining Zhang
Sep 2018 - Jun 2022	B.E. in Printing Engineering, Harbin University of Commerce

Research Interests

Human-Computer Interaction (HCI); AI in Education; AI in Psychology

Publications

Embodied Chatbot Mediation for Social Anxiety in Collaborative Tasks

Anning Liu, **Zekun Song**, Minglei Hu, Yizhao Li, Dongpeng Yao, Nan Gao*, Haining Zhang*

PEACE Workshop at ACM UbiComp/ISWC 2026 | doi:10.1145/3798063.3839205

Designing for Child Agency in a Client-Orchestrated Assistive Agent for Interest Exploration

Yingying Zhao, Aining Gao, Zicheng Zhao, Wanqi Ding, Yue Deng, **Zekun Song***

Assistive Agents for All Workshop at ACM UbiComp/ISWC 2026 | doi:10.1145/3798063.3842724

How Assistive Agents May Change Routine Contact in Student Support at a Chinese University

Zekun Song, Kaiwen Yang, Shunye Tang, Jie Cai, Nan Gao, Haining Zhang*

Assistive Agents for All Workshop at ACM UbiComp/ISWC 2026 | doi:10.1145/3798063.3842733

Research Projects

Education

AI Kaikai & AI Zhifu: Intelligent Campus Assistants - Project Lead & Core Developer. Conversational campus assistants for students and counselors.

AI Bole - Exploration Planet - Project Lead. AI platform for children's interest and potential exploration.

Proactive Homework Support Assistant - Project Lead. Intervention suggestions for parents during homework support.

Psychology

Machine Learning-based Psychological Early Warning Platform - Project Lead & Core Developer. Data-driven early identification of student mental health risks.

Unobtrusive Mental Health Assessment via Daily Dialogue - Project Lead & Core Researcher. Dialogue-based assessment of psychological states.

AI Companion Toy for Children - Project Lead. Voice interaction, emotion sensing, long-term memory, and a parent-facing mini program.

Academic Service

UbiSense 2026 - Web Chairs
